**APPLICANT'S STATEMENT OF  
SUBSTANCE OF INTERVIEW**

MS AF  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Interview Summary and attached Notice of Abandonment which was mailed by the USPTO on May 2, 2005. In accordance with the last paragraph of the Interview Summary, applicant is given one month to file a statement of the substance of the interview. In the telephone interview with the Examiner on April 23, 2007, it was agreed that an Amendment and Response after final had been filed with a three month Extension of Time for the purpose of maintaining the application as co-pending through April 4, 2007, which is the 6 month statutory limit, while a Continuation-In-Part application was filed on April 4, 2007 claiming benefit of this application. The Continuation-In-Part application has been assigned Serial No. 11/732,709. However the interview

summary incorrectly states that the after final amendment was filed on April 10, 2007. While April 10, 2007 is the date the Amendment and Response was received and stamped by the OIPE, the after final amendment was in fact filed on April 4, 2007 with a Certificate of Mailing dated April 4, 2007 and is so shown by the documents in the Image File Wrapper. The response was timely to the Office letter mailed on October 4, 2006 and the application was co-pending through April 4, 2007 when the Continuation-In-Part application was filed.

The Examiner is respectfully requested to telephone applicant's attorney at (908) 654-5000 in order to overcome any additional objections.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: May 16, 2007

Respectfully submitted,

By
